These are included. Please circle your following choices:

1. Standard Poodle / Labradoodle
2. Male / Female (Check availability!)

Please Note: your deposit secures a specific breed but not a specific puppy, because I only breed very similar looking dogs, with very similar personalities, **there will be little differences between the puppies! The biggest difference between how the dogs turn out is what the owner does with them!** However, I know many people are super excited to pick out their puppy, or want to ensure they get exactly the one they want out of the litter, so if this is you, we have priority picks available!

These are extra. Please circle your following choice:

FIRST PICK (YES / NO) \$500 extra, due with deposit, ask for availability!

SECOND PICK (YES / NO) \$300 extra, due with deposit, ask for availability!

Please send this form to:
